

The Gifted and Talented Association of Montgomery County (GTAMC)

Why should you become a member of the Gifted and Talented Association of Montgomery County (GTAMC)?

- Your membership gives GTAMC greater clout with MCPS and the County Council.
- Your membership supports our advocacy training programs.
- Your membership supports our informational and educational programs, including: Summer in January (our summer camp and activities fair); College Admissions information programs; Middle and High School Magnets and Elementary School Centers for the Highly Gifted informational meetings/ student panels; and programs with education experts and MCPS officials.
- Your membership allows us to provide grants for the innovation of new programs for high-achieving students (such as our start-up funding for MCPS' William & Mary program.)
- Your membership builds GTAMC's war chest for research and any potentially necessary lawsuits involving MCPS' actions.
- Your membership allows you to vote in GTA elections, or to serve as an officer or committee chairperson of GTAMC.

MCCPTA Gifted Child Committee Announcements Yahoo Group

<https://groups.yahoo.com/neo/groups/MCCPTAGiftedChildCommittee/info>

This Yahoo! Group focuses on the needs of gifted children by providing information, guidance, and support to PTSAs and school communities. This list is for PTA/PTSA Gifted and Talented Committee Liaisons and open to local school community members to share any updates and information posted on this list.

This list is for announcements only concerning meeting topics, resources and support regarding Gifted Education.

The Gifted Child Committee for MCCPTA promotes the education of all children who show the capability and/or motivation to receive accelerated and enriched instruction. It supports and speaks on behalf of such children in the schools, assists parents in guiding the education of their children, and increases public awareness of the unique educational needs of gifted students.
