

GET INVOLVED AT MKES & PCES!

PLEASE JOIN THE TEACHER APPRECIATION COMMITTEE

What is the Teacher Appreciation Committee?

Teacher Appreciation is a PTA committee that assists both MKES and PCES. Our committee is a lot of fun and its importance is paramount in showing just how much our community appreciates the hard work of our fabulous teachers and staff. *We even receive support from local business owners, often in the form of discounts on food, treats, décor and more! We're always looking for ways to bring people together and give free advertising to businesses.*

The Committee Chair position is shared between Elizabeth Birkner who represents MKES, and Erin Biro Goldthorpe who represents PCES. We combine our efforts and support each other in making teachers and staff feel appreciated equally throughout the school year. This school year will be our second year working together and we are very excited!

What is planned for the 2017-2018 School Year?

It's going to be a great year! As you can see, we have our first luncheon in several weeks! We are currently looking for volunteers to help with set-up and clean-up at both schools. If you can join our committee, you will be informed directly of all the opportunities to get involved via e-mail closer to the events. By joining this committee, you are not obligated to volunteer!

- **November:** *Veteran's Day Luncheon, November 9th – We're currently planning! (1/2 day of school)*
- December: Themed Luncheon – Date TBD
- January and February: "Teacher Shop" – Restock Classroom Supplies (January – PCES/February–MKES)
- February: Themed Luncheon – Date TBD
- April: Administrative Professionals Day – Wednesday, April 25
- May: Teacher Appreciation Week (Luncheon, Breakfast, Individual Teacher OR Staff Gift)

Why join?

Please know that showing appreciation to the professionals that assist our children can be simple, like a handwritten note of thanks. However, with your help and support the PTA can go above and beyond. When we show how much we sincerely appreciate and support the wonderful things they do every day, our children and the entire community feels closer and stronger.
