***The Legend of
Pufferfish Pat***
A tall tale for mad times

An interactive show for kids and families about managing anger before we blow right up! Pufferfish Pat is a legendary cowboy hero who can outride, outlope, and outrun just about anything—except his own hair-trigger temper! He wants to be a friend to everyone and stay cool as a cucumber... he just doesn't know how! Where can he go to find folks who might help him out? And what happens when rival cowboy One-Eyed Jack returns, looking to get Pat run out of town for good? This interactive play about handling big feelings is performed by three actors with help from everyone in the audience, who become part of the play from their seats. Best for ages 4 and up.
